*Compound:* 12-arrow matches (2 ends of 3 arrows per archer)

**Teams**

For the Team Matchplay, a Team consists of pre-selected archers from one secondary school (four for recurve or two for compound), with an appointed captain and a manager. If space becomes limited, a cap may be placed on the number of entries from each school.

**Attire**

School sports uniform/tracksuit. Closed in shoes.

**Equipment**

Standard World Archery rules apply.

**Food**

A sausage sizzle will be running through the event, selling sausages and drinks. As the matches will be running alternatively through lunch time, we recommend that all archers bring lunch, or take advantage of the BBQ, as there may not be sufficient time to buy lunch elsewhere.

**Safety**

As we are situated in a busy public park, strict safety procedures must be adhered to. This information is included in the Shooting Protocol on the College Sport website.

**Results**

Results will be announced at the conclusion of the event, and will be available on the College Sport [website](#).
